

GeoGuider Camp 2012

Sandy Lake Beach Girl Guide Camp

Geocaching is an outdoor sport that involves the use of a Global Positioning System ("GPS") receiver to find a "geocache" (or "cache") placed anywhere in the world. A typical cache is a small, waterproof container containing a logbook and "treasure". If you're new to geocaching, come learn about high-tech treasure hunting. If you've done some geocaching before, come join the fun!
