

LIGHT THE BRIDGE

Edmonton Area – registration form

Come celebrate Thinking day 2018 with Edmonton Area as we illuminate Guiding with a glow in the dark parade. Walk over the Walterdale bridge while the High-Level bridge is lit up with the Colours of Guiding. We encourage your unit to come up with a creative way to glow for the parade and the following dance party. Flags, light up costumes, flashlights, glow sticks, lanterns are all encouraged. As we walk we will be singing and doing Guiding cheers! So bring your Guiding Spirit and loud voice!

Please practice: We are the Girl Guides, If I were not a Girl Guide, Fire's Burning, The Bear Song, the Moose Song, Everywhere We Go, Thunderation, and your favourite chant, repeat after me or cheer as we walk along!

Date: February 22, 2019

Time: 6:30 pm – 8:00 pm

Start: Telus Field 10233 96 Ave NW

End: Kinsmen park 9100 Walterdale Hill NW, near the tennis Courts

Our parade will begin at the Telus Field parking lot and walk across Walterdale bridge to Kinsmen Park, approximately 2km to enjoy the Guiding colours on the High-Level Bridge, Music and Fireworks. Arrive by 6:30 pm, event ends at 8:00 pm.

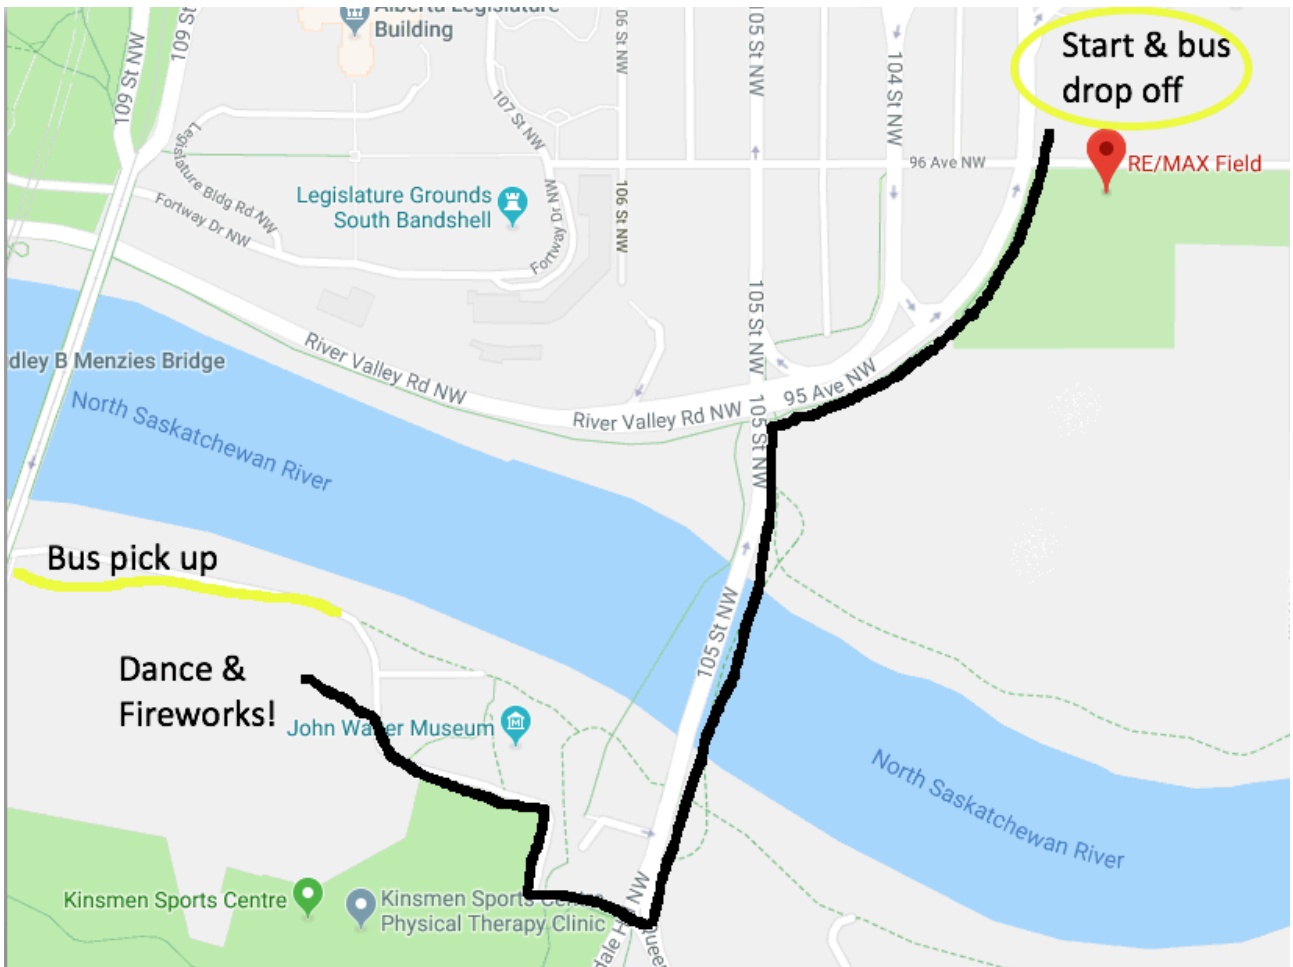

Units and Individual Guiders are welcome to attend. Please come wearing Girl Guides of Canada Uniform (scarf or sash over your jacket). Sign up by submitting the registration form.

Please consult with your districts and neighbouring units to arrange shared busing as parking is very limited. Girls will be outside for the entirety of the event, so please dress for the weather. We have arranged to have more porta potties than last year so hopefully the lines will be smaller! If there are any barriers or questions regarding inclusion please let us know so we can accommodate everyone's needs.

There is no cost to attend this event. All registered participants will receive a commemorative crest sent out in April to districts.

We need many volunteers to help make this event safe and memorable. If you're interested in volunteering please let us know!

Map of Event:

Registrations are due to the office by February 8th emailed to: courtney@guidesedmonton.ab.ca

Light the Bridge Thinking Day 2019 Event Registration
